Korian Family

KORIAN

e-lio

Build the future of communication in elderly care, in a mission to restore trust with families.

Korian Family is a private social network that allows families to stay in touch with their loved ones residing in a Korian nursing home.

- Share messages/photos for residents
- Make video calls with residents via in-room digital devices
- Access services from the facility
- Keep staff and family connect

Deployment status

- 100% nursing homes in France
- Pilot in Spain
